Branch Requirements Pursuant to

25X1A2g

1. In recent years the Sino-Soviet Bloc has shown an increasing desire to market their manufactures, including electronic items, in African countries.

2. In the process of assessing various African countries as potential markets for US electronic equipment, it is possible that this source may learn of a similar interest on the part of one or more of the Soviet Bloc countries. Should such prove to be the case, this Branch would be interested in acquiring the following kinds of information:

- a. Identify of offering Bloc country.
- b. Type and/or nomenclature of equipment offered or sold.
- c. Price quotations, unit or otherwise.
